Parental Consent Form for Young People aged under 18

Dear Parent/guardian/Carer

if you are unable to access the online forms or have any difficulties please contact us via private message or email at events@fuseperformance.co.uk

Let's Dance Sedgemoor is a project for Seed, the Arts Council England funded Creative People and Places project for Sedgemoor, organized by Fuse Somerset Outdoor Arts.

In order for all to have a safe enjoyable time there are some ground rules and code of conduct for online safety to protect and ensure everyone's safety. We ask for your support and that rules are adhered to. All young people under 18 who take part in sessions need parental consent. Parents are encouraged to take part as well; the project is open to all ages and abilities.

For dance sessions: Please be mindful of the space you are working in and ensure they are free from slips/trip and hazards.

An adult **needs** to be present at home during the online dance sessions. You do not have to be in the same room during the time of the session but please support and help with signing in. We do ask young people to wear appropriate clothing. Please **do not** film from a bedroom. Please **do not** leave personal items in view of the film e.g. bank forms, personal pictures. Please **make sure** there is a drink available for water breaks if needed. You can choose to dance indoors or outdoors.

Photography/Film: We will be filming participants final dance work that will contribute towards the online dance celebration for Let's Dance Sedgemoor project for Seed.

Please read the Seed media release form. In order to comply with the Data Protection Acts we require parental/guardian consent from all participants under the age of 18 to be photographed / filmed. We are using social media for this project and will keep you informed on the Let's Dance Sedgemoor Facebook Group and the Fuse, Seed social media and web sites. We are sometimes asked by newspapers / radio / TV to promote projects. The Let's Dance Sedgemoor is a **private** Facebook group, social media has been set up specifically for this group project. We will send welcome messages and alerts for updates and additional information of events or reminders to parents/carers/participants contacts

If there are any medical issues or conditions staff should be aware of please email us or private message us the details, we also welcome telephone discussions.

By opting into the project, you confirm you have read and fully understood and are satisfied with the details supplied. You agree to your son or daughter taking part and contributing to Let's Dance Sedgemoor and all arrangements outlined in this document.
