In order for all to have a safe enjoyable time there are some ground rules and code of conduct for online safety. We ask for your support and that rules are followed. All young people under 18 and vulnerable adults are encouraged to take part in the sessions with guardian consent or with parents/guardians present. The project is open to all. Please read the Seed safety guidance which these can be accessed via [Fuse](#), Projects and Productions for the [Let's Dance Sedgemoor](#) private group page.

For dance sessions, we ask for your area at home to be free from slips/trip hazards. An adult is present at home during the sessions if you are under 18. Wear appropriate clothing. Please avoid filming from a bedroom. Please do not leave personal items in view of the film e.g bank forms. Please make sure there is a drink available for water breaks if needed. You can choose to dance indoors or outdoors.

Photography/Film: We will be filming the final dance works that will be created for an online dance celebration as part of the Creative People and Places project for Sedgemoor. Please read and sign the Seed media release form together with the guardian consent form (if applicable) and send this to us at events@fuseperformance.co.uk
